

### **Southwest Regional April 24-26, 2026, arranged by Pajarito Grotto**

**Location is on private land, east of US285 between Vaughn and Roswell. Coming from the north, turn off is after mile 155 on left (east). If you go too far you enter Chavez county. Coming from the south, its 1.7 miles after the Mesa site, which is now just a feed tank, to DeBaca county. Please return all gates to as you found them. Its about 3.2 miles to the camp site, park off the road. Follow SWR signs or flags.**

**Camp coordinates 34.00086, -104.65914**

**As per agreements with the rancher, NO PETS, NO FIRES. (Expect it to be windy so fires are forbidden). Bring water, food, shelter from sun and wind, and sunscreen. Caving in at least 4 nearby caves that may be muddy or wet, or not. Bring everything you need as there are no commercial facilities for miles!! Cellphones probably work. My number is 505 690 3504.**

**John Lyles**
